

## **MILL STEEL COMPANY ENVIRONMENTAL POLICY**

Mill Steel Company is committed to providing a safe and healthy workplace along with protecting and conserving the environment. Mill Steel Company will meet and/or exceed federal, state, and local requirements and corporate environmental objectives.

Mill Steel Company will strive for continuous improvement in the reduction of waste, use of natural resources and a positive impact on the environment. The following principles are fundamental to achieving these objectives:

- A safe work environment with zero tolerance for unsafe acts or conditions
- Improving the efficiency and conservation of energy and natural resources
- Implement effective recycling programs in manufacturing and administrative operations
- Comply with all applicable environmental laws and regulations and other requirements

Mill Steel Company will act responsibly in providing the necessary support to ensure that the foregoing objectives and principles are achieved.
